

**DOUBLE PALLET VERTICAL WORK CENTRE**

| <b>Manufacturer : FAMUP</b><br><b>Model : MCX 600 18 CP</b><br><b>p/n 481.120.14</b> |                             |
|--|-----------------------------|
| Serial number  | 6037096                     |
| Year of construction   | 1996                        |
| CNC  | Siemens Sinumerik 810 MGA 3 |
| Useful surface of table  | 400 x 400 mm                |
| Strokes : axis X   | 600 mm                      |
| axis Y   | 400 mm                      |
| axis Z   | 400 mm                      |
| Min-Max distance between mandrel nose and table                                      | 130-530 mm                  |
| Load allowed on table  | 300 kg                      |
| Mandrel junction   | ISO 40                      |
| Rotation speed   | 6000 r.p.m.                 |
| Power  | 5,5 Kw                      |
| Axes rapid progresses  | 24 m/1'                     |
| Seats a.t.c.   | 18 stazioni                 |
| Overall dimensions : length  | 2600 mm                     |
| depth  | 3300 mm                     |
| height   | 2900 mm                     |
| Weight   | 4000 kg                     |
